

## Progress Report

Project Name:	Sign Language Detector	Reporting Period:	03/21/2024
Project Manager:	Syed Muhammad Zaid	Project Due Date:	06/31/2024
Compiled By:	Muhammad Tehmish	Date Submitted:	03/31/2024

### Summary

Item	Current Status	Prior Status	Summary
Project Status	In progress	Start	The project is currently in requirement gathering phase and is progressing as scheduled.
Scope	In progress	In progress	Data collection process has started.
Schedule	In progress	In progress	The project is currently on schedule
Cost	On Budget	On Budget	The spending remains within allocated budget.
Risk	No	No	Currently there is no risk in requirement gathering stage.

### Tasks

Task	Status	Objective	Planned	Actual	Progress Complete	Deliverable
Data Collection	On Time	Gather sign language dataset	March 10	-	25%	In Progress
Training and Evaluation	Not Started	Train and Test Model	March 15	-	25%	Not Started
Database Creation	Not Started	Develop the database of the system	March 25	-	25%	Not Started
Application Development	Not Started	Develop the mobile application	April 05	-	25%	Not Started
User Testing	Not Started	Conduct user testing	May 20	-	25%	Not Started

## Issues

Issue	When Identified	Action or Ignore	Owner	Resolved
[Define Issue]	[Date when it was identified]	[What actions are being taken to resolve it or will it be left alone]	[Who discovered it and is tasked with its resolution]	No
				Choose an item.
				Choose an item.

## Budget

Item	Allocation	Spent	Spent to Date
[Budget line item]	[Total money allocated]	[What was spent this reporting period]	[Total expenditures to date]

## Accomplishments

Developed initial project plan and timeline.

## Expected Accomplishments

Gather requirements

Train Models

Develop Databases

Complete application development

Initiate user testing phase to gather feedback on prototype.
